

North Hampshire Orchid Society

NEWSLETTER OCTOBER 2014

The meeting on Sunday 19th October was the cancelled one from September. Tricia and Lawrence gave a talk on their trip to Thailand. They saw lots of orchids in their natural habitat and plenty in nurseries for sale, outside in cafes and gardens. It is amazing how tall and large they grow in the wild and how high they are in trees with nothing to grow in apart from the bark. It was an interesting and enjoyable afternoon. Thank you Tricia and Lawrence for giving us the talk and for showing us the lovely photographs you took.

We had a competition table. First was Lawrence, with the yellow Masdevallia Hybrid, second was Tricia, with the lovely tiny flowers of Masdevallia nidifica Alexandrae and third was Mike Sharman, with the tall Coelogyne barbata. The photographs follow.

asdevallia Hybrid
