## **NEWSLETTER February 2017**

**The meeting was on Sunday 19th February the first one of 2017. We had a very informal AGM and the results are that the society will carry on the same as 2016.**

**Mike Moon is the Treasurer and is running things with the help of Mike Sharman. I am still Program Secretary and producing the Newsletter. Mike told us we have about £1,100 in the bank. It went down quite a lot last year as we purchased the Projector etc. which was about £1,100. The speakers cost was £370.**

**We had discussions on the forth coming meetings. Mike still has a speaker in mind and we are aiming to have an auction of orchids and garden plants probably on 2nd April or 21st May . If anyone would like some other subject or know of anyone who gives reasonably priced talks please let me know.**

**If you want anymore details of the AGM please ask Mike Moon. Subscriptions are now due. They are still £15 for single or £25 for a couple for the year.**

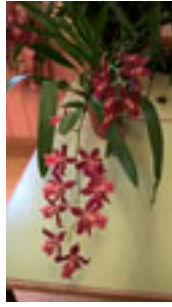

**We had a competition table with 5 orchids displayed. David Martin kindly judged them.**

**I am afraid I forgot the details so the photographs follow with the numbers on. I will let you know after the March meeting when I will collect the details from the hall who won and the name of the orchids they displayed.**

**The photographs follow.**
